# Using MyEXPERT™ Searching

**MyEXPERT™** allows users to personalize the default view of their search results and display only the databases they wish to see. MyEXPERT functionality accommodates an unlimited number of different MyEXPERT settings, with each setting acting as a filter to display selected content. In this tutorial, we will look at how to use MyEXPERT.

 Welcome to MyEXPERT

MyEXPERT allows users to define a custom view of their search results. MyEXPERT requires the use of cookies, and **you are seeing this page because we have not detected a MyEXPERT cookie on your computer**. This could have happened because you have not registered, are using a different computer or have deleted the necessary cookie from your computer.

In order to use MyEXPERT, you must pick from one of the following options:

[I am a new MyEXPERT user and would like to set my preferences now.](#)

[I have previously set my preferences and would like to retrieve them now.](#)

**On the MyEXPERT Settings page, you have the option to set or retrieve setting preferences based on whether you are a new or existing MyEXPERT user. Select the option corresponding with your status.**

### ☰ MyEXPERT Registration

Please provide your email address in order to register to use MyEXPERT.

Email Address:  [Submit](#)

#### Why an Email Address?

It is unique. Everyone has one and it is simple to remember.

#### What Are You Going To Do With This Email Address?

Other than using it to track and restore the cookie containing your MyEXPERT settings, nothing! ToxPlanet is committed to respecting the privacy of the users who access our databases via the internet. We do not sell any customer information and only share limited customer information with relevant content partners, our sales agent and distributors. You will not receive any emails as a result of registering on this page.

**If you are a new MyEXPERT user, you will be prompted to enter your email address before selecting your MyEXPERT settings. Cookies must be enabled on your computer for MyEXPERT to work. Email addresses are used strictly for identifying your MyEXPERT Settings and will not be used for any other purposes.**

 Retrieve MyEXPERT Settings

Please retrieve and restore MyEXPERT settings.
